# Crossroads 2011

It is the year 1240 in the twin cities of Buda and Pest on the banks of the Danube. The spies have returned and informed King Bela IV of Hungary that the Mongol hordes are moving ever westward and invasion is imminent.

Join the Canton of Hawks Hollow as we travel to 13th Century Hungary in search of our champions for the coming year. On Friday, after your carts and pack animals are unloaded and your encampment is set up, spend a relaxing afternoon socializing with old and new friends. Saturday we will hold the Championship tournaments for Armored combat and Archery, and have activities for all martial activities during the day. Saturday evening, a magnificent feast will be prepared by Mistress Ursula d'Arcy with the ever-popular Crossroads Bardic afterward. Sunday will hold tournaments for Light Weapons and Equestrian, as well as the Crossroads Arts and Sciences Competition, and more tourneys and activities for everyone. Monday morning will hold a surprise tourney for adults and children…stay tuned for more details! Any interested individuals or groups may host tournaments, melees, archery shoots, or additional competitions or classes at any time. Please contact the Event Steward for more information.

The site offers extensive camping, with specific areas set aside for Late-Night Party folks and Family friendly camping.
